
Just **Roll Over** and **Float** The Path to Living Boldly

By Lesley Michaels

The long awaited new book by Lesley Michaels is now available.

This compelling new book inspires us to move beyond all ideas of what we think life is supposed to be, and live it as the art form it truly is.

Lesley Michaels speaks to audiences internationally on the importance of living boldly and with enthusiasm. In this newest release, she invites us to begin saying yes to life itself, thereby freeing the creative nature inherent within each of us.

Lesley's practical approach to life and spirituality offers compelling new understandings to living whole-heartedly. Within this book you will find keys to relaxing into both your truest Divinity and boldest humanity.
